

Qualified products list

These labels will help you check whether your television, set top box or digital TV recorder is digital-ready.

Information on the list below has been provided by the manufacturer/supplier and is subject to change.

The list reflects the current status of Qualified Products in the Australian Government Digital Switchover Labelling Scheme.

Product enquiries related to features other than the reception of digital TV should be directed to the manufacturer/supplier.

If you are a retailer and would like to enquire about the availability of labels, please contact your supplier.

More information is available from the website www.digitalready.gov.au
